

Aquinas for Beginners 2

Aquinas for Beginners Part II teaches the practice, after Part I has introduced the theory. The second of a two-part series, this study concentrates on the virtues: the moral as well as the theological virtues. Aquinas defines for us what they are, what vices are opposed to them, and how we can strive to live lives of virtue. Once we know the difference virtue makes, we can set our minds and hearts to pursuing it.

Many quotes from outstanding theologians and philosophers, prayers from this great saint, as well as practical guidelines for holy living, combine to make this study one of Endow's best!

We have 2 groups meeting on Wednesdays from
